

2015 SIERRA DENALI

Crew Cab with 5' 8" box

In 2014, Sierra 1500 earned a Consumers Guide® Automotive Best Buy award and Kelley Blue Book's 5-Year Cost to Own award.

BUILT AT: Flint, Mich.

EPA VEHICLE CLASS: Full-size Truck

NEW FOR 2015

- Hydra-Matic 8L90 eight-speed automatic transmission (6.2L V-8 models)
- 12,000-pound max trailering capacity available, based on SAE J2807 Recommended Practices
- Denali-exclusive Magnetic Ride Control
- Enhanced Chevrolet MyLink with Text Messaging Alerts and Siri Eyes Free
- Available OnStar with 4G LTE and built-in Wi-Fi hotspot (3GB/three-month data trial)
- New, available up-level trailering mirrors with back-up lighting
- Spray-on bedliner now offered on all models

VEHICLE HIGHLIGHTS

- Signature Denali exterior features include chrome grille, unique 20-inch wheels, a polished stainless steel exhaust outlet and body-color front and rear bumpers.
- Denali interior details include script on the bright door sills and embossed into the front seats and real aluminum trim
- The available 6.2L V-8 is the most powerful engine offered in any light-duty pickup.
- Third-generation Magnetic Ride Control delivers more precise body motion control by "reading" the road every millisecond and triggering damping changes in electronically controlled shocks that replace conventional mechanical-valve shock
- High-strength steel makes the frames and cabs stronger and lighter – and helps Sierra deliver a 5-Star rating in government crash testing
- Available Max Trailering Package includes a 9.76-inch rear axle, heavy-duty rear springs, revised shock tuning, enhanced cooling and an integrated trailer brake controller

SAFETY FEATURES

- Six air bags, including head curtain side air bags
- Large rearview mirrors and standard rear-vision camera system for greater visibility and safety
- StabiliTrak stability control system with rollover mitigation technology and trailer sway control
- Available safety alert seat, forward collision alert and land departure warning
